SANDA PANDZA
Founder of Sanda Pandza Events

FAVOURITE WEDDING LOCATION
"Picture your wedding in an Italian palace, a castle full of history, the Tuscan hills, a sparkling sandy beach or an exclusive private mountain chalet...SP Events dares you to dream in Italy."

DR. MARIA SOCRATOUS
Tourist Officer at the Deputy Ministry of Tourism in Cyprus

FAVOURITE WEDDING LOCATION
"People who choose Cyprus as a wedding or honeymoon destination prefer the Paphos or Famagusta areas. My experience tells me that this is due to the clean, beautiful beaches and other activities such as winery tours, hiking routes, and archaeological sites that these areas have to offer."

CHARLES HUDSON
Founder of The Real Flower Petal Confetti Co.

MOST POPULAR PETAL FOR WEDDINGS
"I chose to grow delphinium petals because they are small, light and very floaty - they hang in the air for a really magical confetti moment. They are still our most popular petals! We mix together five colours of delphinium petals and we call it "Rainbow Mix."
